Dear Colleagues,

It is our great pleasure to welcome you to King Khaled Eye Specialist Hospital and Research Center's International Conference 2025, marking the 42nd Annual Scientific Meeting, to be held on December 11-13, 2025, at the JW Marriott Hotel, Riyadh.

On behalf of all committees, organizers, and coordinators, we are pleased to have you in this prestigious scientific event, that brings together leading experts in the field, world renowned ophthalmologists and researchers.

This year's conference promises an enriching program that provides hands-on workshops and CME-accredited sessions, covering all ophthalmic subspecialties.

Our focus extends to cover the latest developments and innovations, applications of artificial intelligence, and controversies in the field.

We warmly invite you to share your knowledge, experiences, and insights, and to actively engage in shaping this collaborative scientific journey.

Welcome to Riyadh in an inspiring and memorable experience.
